PREPARE FOR THE UNEXPECTED AND MAKE A WILL

Make a Will Week takes place from April 9th to 15th. This campaign encourages the public to write their will or to bring an existing will up-to-date. Making a will is one of the most important steps you can take to ensure that the people, charities and organizations you cherish most receive the benefit of your estate. This annual campaign is also endorsed by the Estate Planning Council of Vancouver (EPCV) whose aim is to help professionals understand what can be complicated regulations surrounding estate administration. Tim Brown, co-leader of RBS' Estate and Wealth Advisory practice group, is the acting President of this organization. Please reach out to any member of our Estate and Wealth Advisory practice group for more information on steps to take when making a will. To learn more about this initiative, visit the Make a Will Week website [here](#).
