BUSINESS IN VANCOUVER RECOGNIZES OUR LAWYERS AND STAFF FOR OUR FOOD BANK SUPPORT

Our firm's philanthropic efforts were honoured by BIV for our support of the Greater Vancouver Food Bank. Since 2009, lawyers and staff have donated nearly \$500,000 dollars in food value, and over 1,000 person-hours to sorting food at their warehouse. We are fortunate to be part of this wonderful organization, and look forward to our continued contribution.
