OUR PAW-SITIVE SPIRIT IN SUPPORT OF JUVENILE DIABETES

Two of our staff members, Millicent Ng and Diana Manuel, randomly wore the same leopard print outfit to work which inspired a fun and creative week-long charitable campaign.

The goal was to raise a total of \$500 by week's end so RBS Partner and Chair of our Litigation & Dispute Resolution Group, Dan Nugent, would don his leopard print to the office.

Game on! The firm rallied, and we exceeded our goal and all monies raised went to Dan's charity of choice, JDRF Canada, in support of juvenile diabetes.
