SUPPORTING THE SURREY FOOD BANK

As we wrap up our Charitable Giving Campaign, we would like to emphasize the crucial work of the Surrey Food Bank (SFB) in serving the communities of Surrey and North Delta. The SFB provides essential nutritious food, including vital baby formula, eggs, and milk through its Tiny Bundles Program, which supports babies and expectant mothers.

Furthermore, the food bank offers meal supplements and personal care items to seniors, who make up 10% of those served. Each month, the SFB assists approximately 15,000 individuals, with nearly half being children under the age of 18.

Every dollar raised directly contributes to the food bank's operations, programs, and the individuals who rely on its support. We appreciate your generosity and commitment to making a meaningful impact in our community.
