PERSONAL SERVICES

The Personal Services Group provides individuals with advice on many different situations. Its lawyers advise on matters including employment, human rights, family law, personal injury, wills, estates, trust administration, and wealth preservation. RBS' clients include individuals, private businesses, family enterprises, employees, and employers.

RBS appreciates that the Personal Services Group often deals with stressful situations. Its lawyers will work to minimize the stress by providing appropriate and timely legal advice for each client's particular situation.

The Personal Services Group will evaluate your immediate needs and provide options that will allow you to strategically meet your long-term goals. Its skilled and committed team of lawyers have decades of experience and will bring their specialized expertise to every client's file.
