NICOLE MANGAN IS QUOTED IN THE LAWYER'S DAILY

As of May 4th, the *Genetic Non-Discrimination Act* prohibits anyone from demanding that a person must take a genetic test, or revealing the results of a test for the purpose of providing goods and services, or entering into a contract. Nicole Mangan, member of our Insurance Practice Group and Leader of our Commercial Leasing Group, was quoted in *The Lawyer's Daily* article "Genetic Non-Discrimination Act Creates Fundamental Change for Insurance Industry". Nicole discussed how the *Genetic Non-Discrimination Act* will impact the work insurance lawyers do, and the possible implications for insurance providers. To read more, [click here](#).
